If yes, list additions to federal requirements below:

- Purpose – clarification that grievance procedure is for tenants in federally-assisted public housing projects of the authority.
- Applicability
 - The Grievance Procedure applies to grievances between a tenant of the federally–assisted public housing projects and the authority.
 - All grievances involving an act or omission of the authority relating to delinquent payment of rent shall commence within 30 days from: receipt of the written notice, sent when a tenant fails to attend or reschedule a meeting between the tenant and the authority or its agent per HRS 356D-92(e); or (2) receipt of the written decision of the authority, which is based on the facts discussed at the meeting between the tenant and the authority per HRS 356D-92(f). All other grievances involving an act or omission of the authority relating to a rental agreement shall be commenced within 10 business days of such act or omission..

- Untimely requests preclude a request for grievance unless waived in writing by the authority.
- Definitions "Drug-related criminal activity", "Federally-assisted public housing projects" and "State-aided public housing projects" defined.
- Informal Settlement of Grievance
 - The request for grievance must be explicitly made to management if complainant is invoking the grievance procedure. If the grievance is resolved, it shall be put in writing and the grievance shall be terminated.
 - If the matter is not informally resolved, the written summary of the informal settlement meeting shall be prepared within 5 business days.
 - The complainant shall submit a written request for a hearing to HPHA within 10 business days after receipt of the written summary of the informal settlement meeting.
- Selection of Hearing Officer – HPHA shall consult with the resident organizations to compile a list of hearings officers. HPHA shall randomly select a hearings officer from the list of persons.
- Escrow deposit
 - Concurrent with their request for grievance hearing, complainant shall pay the authority the full amount due instead of putting it into an escrow account. Future rents are paid timely to the authority until the grievance is resolved. If the dispute involves the amount of rent which HPHA claims is due, the tenant specifies the portion in dispute and HPHA holds the disputed amount in escrow until the disposition of the grievance.
 - The payment requirement may be waived by the authority for good cause shown by the tenant to the authority. Waivers shall be in writing with reasons given.
- Scheduling of Hearing - A hearing shall be scheduled promptly after selection of a hearing officer.
- Procedures governing the hearing – complainants requesting documents to prepare for the hearing must provide reasonable notice of their request to HPHA.
- Decision of the Hearing Officer.
 - A reasonable time for the Hearing Officer to prepare the written decision is ten business days.
 - Request for grievance hearing does not interfere with progress of an eviction case that has already commenced – the eviction action is stopped temporarily until disposition of the grievance then continues from the point where it was stopped.
 - If the hearing officer upholds the authority's action to terminate the tenancy of a complainant, HPHA shall not commence the eviction action until it has served a written notice to vacate on the

complainant. The notice to vacate shall not be issued prior to the decision of the hearing officer having been mailed or delivered to complainant.

- Expedited Grievance Procedure – this section provides that complainants have five business days to initiate grievances involving criminal activity that threatens the health and safety of other residents or drug-related criminal activity on or near the premises.
