By the authority vested in me as Governor by the Constitution and laws of the State of Hawai'i, in order to provide relief for disaster damages, losses, and suffering, and to protect the health, safety, and welfare of the people, I, DAVID Y. IGE, Governor of the State of Hawai'i, hereby determine, designate and proclaim as follows:

WHEREAS, a recent statewide homeless count highlights the significant increase in homelessness for the entire state; and

WHEREAS, the 2015 Statewide Point-in-Time Count, which is a statewide unduplicated count of homeless individuals and families throughout Hawai'i, estimates the total number of homeless individuals statewide is 7,620; and

WHEREAS, the statewide Count estimates the number of unsheltered homeless individuals is 3,843; and

WHEREAS, of the 3,843 unsheltered homeless individuals, the statewide Count estimates that there are 185 unsheltered families, which consist of a total of 439 unsheltered children throughout the state; and

WHEREAS, these unsheltered homeless individuals and families are living on privately owned and public lands, including the streets, public parks, beaches, and elsewhere on each island; and

WHEREAS, these unsheltered homeless individuals and families are without access to portable toilets, bathrooms, showers and clean water; and

WHEREAS, these unsheltered homeless individuals and families require health and social services in order to maintain themselves safely and in reasonable health; and

WHEREAS, the efforts of state and county law enforcement agencies enforcing state and county laws and providing for the public health and safety are resulting in homeless moving from public lands; and

WHEREAS, existing shelters have been successful in assisting a large number of homeless, but many more individuals remain in need of shelter and assistance; and

WHEREAS, various other shelter projects and opportunities are in the process of being developed, but more time is needed to allow for completion; and

WHEREAS, the completion of more shelter projects is necessary to protect the health and safety of not only the homeless individuals, but all members of the community; and

WHEREAS, the largest population of homeless unsheltered families live on the island of Oahu, consisting of approximately 71 unsheltered families for a total of 153 unsheltered children under the age of 18 years of age; and

WHEREAS, the State is exploring various locations on which temporary buildings may be constructed, installed, or renovated in order to shelter these homeless individuals in a safe and sanitary manner and to provide necessary health and social services to them; and

WHEREAS, these possible locations, as well as others that may be identified, will be designed to provide temporary transitional shelter for the homeless and to provide necessary health and social services to assist these individuals and families in successfully transitioning into permanent housing; and

WHEREAS, the completion of the shelter site, together with any associated contracts, is necessary to protect the health and safety for the homeless individuals and families; and

WHEREAS, in addition to the temporary shelter initiative, and associated contracts, the State Department of Human Services, Homeless Programs Office currently administers numerous contracts with private providers for homeless services statewide; and

WHEREAS, these State homeless programs provide emergency and/or transitional shelter, including adequate meals or cooking facilities; outreach services, including case management to enable families to obtain and retain permanent housing, job training, medical and social services referrals, childcare, educational and life skills

classes; emergency grants, which provide monetary assistance to assist with housing, food, medical and other types of expenses arising from emergency needs, including housing rental deposit and rent, utility costs/deposit, emergency medical care and expenses, transportation and job-hunting expenses; and housing placement, which coordinates housing opportunities with private landlords; and

WHEREAS, the contracts for these existing State funded homeless programs will terminate at the end of December 2015 and January 2016 but there is a great risk that procurement will not be completed before the termination date of these contracts; and

WHEREAS, if these State funded homeless programs were to close or cease operations, homeless services would discontinue and significant numbers of homeless individuals and families would be without the necessary life-sustaining services, including the temporary shelter services, leaving many more individuals and families displaced increasing the number of unsheltered homeless statewide; and

WHEREAS, the lack of secure, safe, and sanitary shelter, and adequate health and social services, for this large number of people without homes is endangering the health, safety, and welfare of the people, including families and children, and poses a threat to the environment, and demands emergency action to prevent or mitigate suffering, injury, loss, or damage; and

WHEREAS, the Legislature of the State of Hawaii has appropriated from the general revenues of the State, monies as may be necessary for expenditure by or under the direction of the Governor for the immediate relief of the conditions created by the disaster; and

WHEREAS, pursuant to section 127A-12(b)(16), Hawaii Revised Statutes, the Governor is further authorized to order and direct government agencies, officials, officers, and employees of the State, to take such action and employ such measures for law enforcement, medical, health, firefighting, traffic control, warnings and signals, engineering, rescue, construction, emergency housing, other welfare, hospitalization, transportation, water supply, public information, training, and other emergency functions as may be necessary, and utilize the services, materials, and facilities of the agencies and officers; and
